

# Montes White

# Make their dreams grow.

We designed Montes to support the physical and mental development of children. Prepared an environment full of efficient use of space and modular solution ideas for them.

You can create big differences with small changes you make in Montes and enrich your child's imagination. With a Wooden Chimney that you will add to the Wooden Roof Bedstead, or a Wooden Window that can be positioned right-left-middle...

# Let the room match your style.

Imagine a bedding set that gets your child in the habit of reading. Pockets for books and pens, pillow cases with book holder function and much more... All the accessories that will accompany your child in his journey of growth and education are in the unique world of Montes.

# Smart solutions for smart kids.

Montes offers you great freedom when designing your child's room. You can change the whole atmosphere of the room with the help of Tulle that you will add to your child's Flat Roof Bedstead, or you can create smart storage areas with Mobile Box.

# Every child wants to feel safe.

Montes has complementary accessories to make your child feel safe at all times. You can ensure your child is safe while sleeping with the fence railing attached to the bedstead.

# Mess can be fun.

Meet the Montes Bottom Bedstead, you can use it as a bed or storage area. At the end of the day, you can turn tidying your room, organizing toys into a fun game

Is a friend going to sleep over tonight? With the montes bedstead you will have a spare bed for your little guest in your child's room.

# Peace at every glance.

Comfort not only offered by our product, but also colors has a big role for this feeling.

When you experience Montes accessories range and colors that are compatible with your furniture, you will enjoy the Montes world better.

# Different combinations, different worlds.

In Montes world that grow your dreams, both you and your children will have a joyful mood. With Montes' rich accessories that can offer different combinations, you can create the ambience you want in your child's room.

## Harness the power of colors.

Awnings in pink, cream and green color options for Montes Flat Roof Bedstead offer you more freedom in design.

# Studying is the priority.

Montes has so many solutions that will help your child gain the habit of studying. Storage compartments that remove all distractions, ergonomic desks and chairs that allow your child to sit in the correct posture while studying, bedsteads and beds that will allow your child to sleep well and rest well for school. We wish the best for your kids with Montes in their studies...

# May they have sweet dreams.

Tulle that is designed to be used with the Roof Bedsteads of the Montes Series will add elegance to your child's room. All-over lights and breathable structure will make your child feel peace and space while lying and dreaming...

# Dreams have no limits!

Your child can use the Tunnel Tent either on the bedstead or on the ground, and can build their games as they wish. Here is the Montes Medium High Bedstead. A unique dreamy product that can not be named just a bed.

Is quite inspiring for drama, maybe it's time for your child to camp in forest today.

## Favorite colors in the room.

Pink, green or cream... Montes has color combinations that your child desires. Their room is their world. and they should have a choice to live in this world with favorite colors.

# Safe and secure.

Montes Medium High Bedstead has been produced to meet international standards in safety and ergonomics. The ladder, which can be installed on the right or left, has been designed considering the dimensions that your child can easily grasp. The slow moving rails and rounded corners used in the doors and drawers of Montes Dresser because we care about your child's safety.

## More choices, more happiness.

Bring the serenity of mint and blue tones to your child's room. Discover Montes' mint combination accessories. Meet with Montes options that will make your child feel more comfortable and spacious in their room than ever before.

# Enjoy it together.

Turn your room into a party room with the tent and lamps you will place on the Montes Side Roof Bedstead. Play games or dance together. Let Montes add joy to your child's joy.

# Check out this harmony.

Colors and accessories have a great effect on achieving harmony. Take a closer look at Montes' accessories and colors compatible with the series. Create a fairy-tale world in your child's room with accessories in pink tones.

# Everything at your fingertips.

Pen, notepad, stationery and everything else you need... With Montes Studying Desk, they are all organized and at hand. So it's no surprise that he finds what he's looking for instantly and easily.

# Embrace the surprise.

Combine Montes Studying Desk with accessories of different functions. Moreover, all of them are compatible and useful with Montes design language. Look at that pouf, a storage space, a chair, and a toy.

# A tidy room is the best room.

Drawers, shelves, partitioned spaces... They all look forward to teaching your child to be organized. Height-adjustable cabinet handles are going along with him as he grows.

## Subtle grace.

Braking systems on doors and drawers Ventilation capsules that keep the cabinet smelling fresh all the time. If what you need is a chest of drawers, Montes is at it again.

# Rockabye, baby.

With its rounded corners and telescopic handrail that allows easy access to the baby, Montes Lift Bedstead will improve your baby's safety and offer you convenience.

You don't have to think about where to put your baby's equipment. Montes Bottom Drawer will also take care of it successfully.
