

Selena Pink

Simple and timeless.

Selena Pink, which combines a simple design with a pink-pastel tone, Provides a comfortable sleeping area away from clutter.

The simple beauty you are looking for with its clear and easy-on-the-eye lines is designed with classical motifs on white.

Supplementary and calming.

Every detail in the Selena Pink series is designed to maximize peace and tranquility, while reflecting its taste with a wide range of accessories. It maintains its calm atmosphere with its soft colors.

Just focus.

Here is a real example of minimalism.

All your needs are considered in the Selena Pink series, which allows you to focus on yourself with its simple design. While you save space by the bed with base, free up space for a new one by storing the items you don't use.

Fit worlds.

During exam times, designing your dreams,
writing your diary, or watching something...

Combining simplicity and elegance with care,
Selena Pink Desk will transport you to the world
of your dreams from the moment you take it over.
Whether it's your school or your plans...

Your world fits the table.

Increase your energy.

The Selena Pink series features designs that reflect the colorful side of its soul and has a wide range of accessories. Reflect your style with the accessories you choose in the series that are dominated by simplicity.

A place for your friends.

With the pull-out bed option, free up space for your friends with whom you have long conversations. With its design that converts into a regular bed when closed, you can open and use the comfortable pull-out bed whenever you want.

Stylish and optional.

The bunk bed option, which was added to the Selena Pink series, offers different sleeping areas. With a bunk bed that two person can use comfortably, you can keep the room elegant and simple while saving space.

Simple and functional.

Although simplicity is at the fore in the Selena Pink series, there are traces of functional design in every detail.

In the series, from cabinets with doors to drawers, from pen holders to all the accessories, everything has been attentively designed for you. Wardrobes and dressers will maximize comfort thanks to their segmented and spacious structure.

MATERIAL SPECIFICATIONS

1. It is produced from melamine coated chipboard in 25mm, 16mm and 8mm thicknesses with E1 standards.
2. The straight and curved edges of the board are covered with 0.40 and 2mm thick PVC foil, which is glued with polyurethane-based glue.
3. 2mm rounded edge band is used in the areas where the user will touch the product in order not to be harmed.
4. The doors close softly and silently thanks to the brake system.
5. The drawers have a carrying capacity of 30 kg.
6. The surface of the metals is coated with electrostatic paint and the metals are guaranteed against corrosion for 5 years.
7. The plastic parts used in the series are made of injected ABS raw material and do not pose a threat to human health.
8. The design is enriched with rustic patterns by using the UV printing technique in the series.
9. Hangers are produced from anodized coated extruded aluminum profiles.

SAFETY AND CERTIFICATE

1. It is technically designed in accordance with TÜV GS (Europe) standards regarding safety, health and ergonomic conditions.
2. Wall brackets are used in the products to prevent modules such as wardrobe, bookcase and dresser from tipping over.

FUNCTIONAL DETAILS

1. The series offers wardrobe options in different sizes, and additionally, a functional advantage is provided with the shelf module specially produced for the 2-door wardrobe.
2. There are ventilation capsules in the cabinets. There is also a large hanger area for clothes and many shelves.
3. Visual enrichment with rustic patterns has been applied with UV printing technique on the 3 Door Wardrobe and other modules. Both pink and gray color alternatives are offered in the series.
4. The design is enriched by using a full-length mirror on the middle door of the 3 Door Wardrobe.
5. In addition to providing storage areas on the study desk due to its drawers and doors compartments, it also provides an efficient studying area with its large size.
6. There is an inner compartment and additional shelf space on the lower side of the study desk to meet the storage needs in the block with the study desk door.
7. The study unit has been designed in 2 different models, considering the efficient studying areas and needs. The study units are practical and useful with functional shelves and storage with doors areas.
8. It has been designed with the ability to put books and different accessories in the partitioned areas of the large bookcase with doors and shelves.
9. The top two drawers of the three-drawer dresser are designed to act as separators.
10. The large dresser with three drawers has been produced for large areas, and special partitions have been made in the top drawer. At the same time, the large dresser can be used as a TV unit.
11. There is also a dresser mirror that can be added to the dressers in the series. The design has been enriched by applying beveling to the outer frame of the mirror, which is designed from solid and durable materials.
12. A stylish work has been done by combining the foot end and the head end of the bed with the curved design, rounded corners, and rustic pattern print details that complement the elegance.
13. Ergonomic and useful, 2 drawer nightstand module is also produced with a carrying capacity of 30 kg.
14. In the series, in order to meet the needs, it has produced a 100-size bed with base, and it has the design features of the bed.
15. The volume of 100 bases is 475 liters.
16. The carrying capacity of the bed, base and bottom bed is 130 kg.
17. Thanks to the easily usable pull-out bed, both the guest and the storage space volumes have been increased. Thanks to the wheels at the pull-out bed and the curved space at the front, the pull-out bed can be easily pushed and pulled under the bed.
